

Yiwen Chen

Graduate Research Assistant

Engaged student studying for a Master of Science degree of Information and Computer Sciences at the University of Hawaii at Manoa. I expect to graduate in Spring, 2023. Seeking to improve analytical skills, corroborate skills, and coding skills. Inquisitive, energetic computer science specialist skilled in leadership, with a strong foundation in math, logic, and cross-platform coding. Seeking to leverage solid skills in collaboration, communication, and development as a programmer.
